BAKIE
FARM

DEDICATION OF TOWN REPORT

The 1989 Report is dedicated to
JOHN J. BAKIE

That John Bakie loves Kingston and his 200 acre farm on Route 107A is hardly a surprise.

After all, he's spent his entire life living there, even sleeping in the same bedroom where he, and his father before him, was born.

Bakie, 78, has dedicated his life to working and preserving the farm, despite economic changes that have made the small, family-owned New England farms that once prospered, virtually extinct.

One of his two daughters, Betty Flanagan, of East Kingston, says that the farm and the environment have been his greatest love.

"He's just dedicated his whole life to the farm and trying to keep it," she said. "He'd be up at six o'clock in the morning and goes to eleven o'clock at night. Day after day."

This year, his efforts and struggle to keep the farm paid off. He just recently entered the farm in a state land trust which will preserve the property as a farm forever. Bakie will continue to live on the farm and can pass it on to his descendents, but the State now owns and controls all building rights on the property, preventing the land from being broken up and sold to developers. The land trust will also protect several acres of Atlantic Coastal White Cedar and other rare wildlife on the property.

And, he says, the trust insures that "as long as you live, your children, your grandchildren, your great-grandchildren live, there'll always be a patch of green in Kingston."

With the $350,000. the State paid him to put the land in the trust, Bakie plans repairs to the farm and he plans to put together a farming museum in one of his buildings using artifacts he has collected over the years. He hopes to open the museum by August.

Bakie lives on the farm with his wife, Edine. Formerly of Buttonwoods, Rhode Island, she met Bakie through her brother, Edwin Decatur, who was the town doctor. They have two children, Flanagan and her sister, Judy Brown, of Fremont and five grandchildren. Bakie's cousin, Gordon Bakie, is a Kingston resident.

Bakie is a lifetime member of the Kingston Conservation Commission and a member of the East Kingston Historical Committee. His father served as a Selectmen for several years and his uncle, Daniel J. Bakie, donated the Elementary School.

Library Employee	1965 - 1968 & 1975 - 1988

Born September 16, 1913
Deceased February 27, 1989

CHESTER O. TARBOX

Fireman and E. M. T.	1972 - 1980

Born November 20, 1920
Deceased May 4, 1989

EUNICE L. CLARK
1902 - 1989

NEW HAMPSHIRE HOUSE OF REPRESENTATIVES DECLARATION

MEMORIALIZING EUNICE LANAGAN CLARK OF KINGSTON

WHEREAS, we have learned with great sorrow of the death of Eunice Lanagan Clark, who for more than sixty-five years was an affectionately respected and much-admired resident of Kingston, New Hampshire, and

WHEREAS, having been born in Salem, New Hampshire on the first day of November in the Year of Our Lord, Nineteen Hundred and Two, Eunice Lanagan Clark chose to live her entire life in the state of her birth, giving much of herself to the countless persons who happily crossed her path, and

WHEREAS, throughout her lifetime, Eunice Lanagan Clark earned a reputation for being an energetic and productive woman who possessed a wealth of knowledge about Kingston town history and the people of the community, and

WHEREAS, having graduated from Plymouth Normal School, Eunice Lanagan Clark for many years was a teacher in the grade schools of Salem and Kingston, concerned always for the educational welfare of all of the children entrusted to her, and

WHEREAS, having been blessed with an abundance of community spirit, Eunice Lanagan Clark for thirty-five years served as a Trustee and Treasurer of the Nichols Memorial Library, as a member of the Kingston Historical and Improvement Society, and as Dispatcher for the Kingston Fire Department, now therefore be it

DECLARED, by the Speaker of the House, that Eunice Lanagan Clark be granted highest praise and recognition for her dedicated service to the Town of Kingston and for her commitment to education in the community, and be it further

DECLARED, that expressions of heartfelt sympathy be extended to her family, and that a suitable copy of this Declaration be prepared for presentation to her family.

W. Douglas Scamman, Jr.
Speaker of the House

offered by the Kingston Delegation

TOWN OF KINGSTON, N.H.
TOWN MEETING MINUTES - MARCH 14, 1989

ARTICLE 1 - The Annual Town Meeting was called to order at 10 A.M. by the Moderator, Electra L. Alessio, for the balloting for Town Officers, Officers of the Sanborn Regional School District and 16 Zoning Questions, as well as two other questions on the regular ballot. The Moderator announced that the absentee ballots would be processed at 1:30 P.M., and it was voted to adjourn, after the counting of the ballots, until 7 P.M. on Wednesday at the Swasey Gymnasium, to take up the remaining articles in the Warrant.

The Town Clerk, Bettie C. Ouellette, broke the seals on the boxes of ballots, and the Moderator inspected the ballot boxes. The Assistant Moderator was James T. Rankin, Sr., and the Ballot Clerks were Donna Grier, Carolyn Christie, Julia Baldwin, Holly Ouellette, and Marion Clark. The Police Officer was Charles Bradley, Jr., who also counted at night. Selectmen present were John Reinfuss and Charles Wagner. The additional counters at night were Olive Moriarty, Norma Jervis, Carolyn Harlow, George Harmon, David Conant, Edward Jervis, Jr., Donna Snow, Virginia Snow, Janice Casey, Philomena Dietz, Elaine Van Dyke, Patricia Parker, Mary Conant, Michael Priore, Sheila Briggs, Linda Nadeau and R. Bradley Maxwell.

The following results of the balloting were announced by the Moderator: Total Cast 1136, including 69 absentee ballots. Total voters on checklist - 2897.

Selectman for 3 Years:

Marilyn B. Bartlett	258
Michael A. Chambers	154
William M. Park	97
Peter E. Wilson, Sr.	606*

Treasurer for 1 Year:

Olive Moriarty	969*

Road Agent for 1 Year:

Richard D. St. Hilaire	949*

Chief of Police for 1 Year:

Neil R. Parker	934*

Police Officers for 1 Year:

Paul J. Bean	408
Donald W. Briggs, Jr.	862*
John Crockett	544*

Constable for 1 Year:

Peter R. Basler	931*	

Trustee of Trust Funds for 3 Years:

Mary V. Kanaly	916*	
Roger Nason	12*	(write-ins)

Auditors for 1 Year:

Numerous write-ins - nobody officially elected

Fireward for 3 Years:

Dale G. Winslow	898*	

Library Trustee for 3 Years:

Marion L. Clark	914*	
Norma B. Jervis	846*	
Dorothy M. Wagner	829*	

Municipal Budget Committee for 3 Years:

Edward W. Jervis, Jr.	819*	
Carroll E. Wright	750*	
R. Bradley Maxwell	20*	(write-ins)
Natalie Timmons	35*	(write-ins)
Pat Bateman	9	

Municipal Budget Committee for 2 Years:

Arthur T. Schultz	809*	

Municipal Budget Committee for 1 Year:

Charles Ethier	17*	(write-ins)
Natalie Timmons	7	(write-ins)
Pat Bateman	6	(write-ins)

* Elected and took oath of office.

ARTICLE 21 - "Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemption, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, $42,160; for a person 75 years of age up to 80 years, $63,240; for a person 80 years of age or older, $84,320. To qualify, the

person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than $10,000. or, if married, a combined net income of less than $12,000; and own net assets of $40,000, or less, excluding the value of the person's residence."

YES 887 NO 103

ARTICLE 22 - "Are you in favor of increasing the board of selectmen to 5 members?" (RSA 41:8-b)

YES 414 NO 638

ZONING & BUILDING CODE QUESTIONS

ARTICLE 5 - Are you in favor of the adoption of Amendment Number 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Adoption of an Aquifer Protection Ordinance which will regulate land use, building and development on any land that lies over the aquifers that run under Kingston. Present non-conforming uses which are not imminent hazards to public health and safety will be allowed to continue.

This Amendment is submitted by the Conservation Commission.

The Planning Board approves this Amendment.

KINGSTON
AQUIFER PROTECTION ORDINANCE

1. AUTHORITY AND PURPOSE

Pursuant to RSA 674:16-21, the Town of Kingston hereby adopts an Aquifer Protection District and accompanying regulations in order to protect, preserve and maintain potential groundwater supplies and related groundwater recharge areas within a known aquifer identified by the United States Geological Survey. The objectives of the aquifer protection district are:

— to protect the public health and general welfare of the citizens of Kingston;
— to prevent development and land use practices that would contaminate or reduce the recharge of the identified aquifer;
— to promote future growth and development of the Town, in accordance with the Master Plan, by ensuring the future availability of public and private water supplies;
— to encourage uses that can appropriately and safely be located in the aquifer recharge areas.

2. DEFINITIONS

Animal Feedlot: A commercial agricultural establishment consisting of confined feeding areas and related structures used for the raising of livestock. An animal feedlot shall be considered one on which more than five (5) animals are raised simultaneously.

Aquifer: For the purpose of this Ordinance, aquifer means a geologic formation, group of formations, or part of a formation that is capable of yielding quantities of groundwater usable for municipal or private water supplies.

Dwelling Unit: A building or that portion of a building consisting of one or more rooms designed for living and sleeping purposes, including kitchen and sanitary facilities and intended for occupancy by not more than one family or household.

Groundwater: All the water below the land surface in the zone of saturation or in rock fractures capable of yielding water to a well.

Groundwater Recharge: The infiltration of precipitation through surface soil materials into groundwater. Recharge may also occur from surface waters, including lakes, streams and wetlands.

Leachable Wastes: Waste materials, including solid wastes, sludge and agricultural wastes that are capable of releasing contaminants to the surrounding environment.

Mining of Land: The removal of geologic materials such as topsoil, sand and gravel, metallic ores, or bedrock to be crushed or used as building stone.

Non-Conforming Use: Any lawful use of buildings, structures, premises, land or parts thereof existing as of the effective date of this Ordinance, or amendment thereto, and not in conformance with the provisions of this Ordinance, shall be considered to be a non-conforming use.

Non-Municipal Well: Any well not owned and operated by the Town of Kingston or its agent.

Recharge Area: The land surface area from which groundwater recharge occurs.

Sludge: Residual materials produced by the sewage treatment process.

Solid Waste: Any discarded or abandoned material including refuse, putrescible material, septage, or sludge, as defined by New Hampshire Solid Waste Rules He-P 1901.03. Solid waste includes solid, liquid, semi-solid, or contain gaseous waste material resulting from residential, industrial, commercial, mining, and agricultural operations.

Structure: Anything constructed or erected, except a boundary wall or fence, the use of which requires location on the ground or attachment to something on the ground. For the purposes of this Ordinance, buildings are structures.

Toxic or Hazardous Materials: Any substance or mixture of such physical, chemical, or infectious characteristics as to pose a significant, actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this Town. Toxic or hazardous materials include, without limitation, volatile organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids and alkalies, and include products such as pesticides, herbicides, solvents and thinners, and such other substances as defined in New Hampshire Water Supply and Pollution Control Rules, Section Ws 410.04 (1), in New Hampshire Solid Waste Rules He-P 1901.03 (v), and in the Code of Federal Regulations 40 CFR 261. Wastes generated by the following commercial activities are presumed to be toxic or hazardous, unless and except to the extent that anyone engaging in such an activity can demonstrate the contrary to the satisfaction of the Planning Board:

— Airplane, boat and motor vehicle service and repair;
— Chemical and bacteriological laboratory operation;
— Dry Cleaning;
— Electronic circuit manufacturing;
— Metal plating, finishing and polishing;
— Motor and machinery service and assembly;
— Painting, wood preserving and furniture stripping;
— Pesticide and herbicide application;
— Photographic processing;
— Printing.

3. DISTRICT BOUNDARIES

a. **Location**

The Aquifer Protection District is defined as the areas described on the following maps; those areas designated by dark, light and hatched shadings on the Master Plan map entitled Water Resources; the areas designated as having high, medium, and low potential to yield water according to the United States Geological Survey map series #77-69 (Cotton Maps); areas designated as "Stratified Drift Aquifer" and "Stratified Drift Aquifer Over Glacio-Estuarine Silts and Clays" on the map entitled "Surfical Geologic Map of Kingston Quadrangle Rockingham County, NH", by Forrest B. Earl; and subsequent USGS mapping information.

The Aquifer Protection District is a zoning overlay district which imposes additional requirements and restrictions to those of the underlying, base district zoning. In all cases, the more restrictive requirement(s) shall apply.

b. **Recharge Areas**
For the purpose of this Ordinance, the primary recharge area for the identified aquifer is considered to be co-terminus with that aquifer.

No secondary recharge area has been identified at the time of enactment.

c. **Appeals**
Where the bounds of the identified aquifer or recharge area, as delineated, are in doubt or in dispute, any landowner aggrieved by such delineation may appeal the boundary location to the Planning Board. Upon receipt of such appeal, the Planning Board shall suspend further action on development plans related to the area under appeal and shall engage, at the landowner's expense, a qualified hydrogeologist to prepare a report determining the proper location and extent of the aquifer and recharge area relative to the property in question. The aquifer delineation shall be modified by such determination subject to review and approval by the Planning Board.

4. USE REGULATIONS

a. **Minimum Lot Size**
The minimum lot size within the Aquifer Protection District for each dwelling unit if a residential use, or each principal building if a non-residential use, shall be three acres, or 130,680 square feet.

b. **Hydrogeologic Study**
For development proposals within the Aquifer Protection District, a hydrogeologic study shall be required for the following:

1) subdivisions of ten (10) lots or greater;

2) any septic system or series of septic systems designed for 2,400 gallons per day or greater contained within one lot.

For residential subdivisions of ten (10) lots or less the Planning Board shall determine, on a case-by-case basis, the need for a hydrogeologic study. Particularly sensitive sites may include areas that have septic systems in close proximity to wells, or may contain excessively drained soils or steep slopes.

Hydrogeologic studies shall be performed by a qualified hydrogeologist registered in the State of New Hampshire. This study shall be sufficiently detailed to evaluate the development's impacts to groundwater within both the parcel to be developed and the surrounding land. All Hydrogeologic studies shall include at least the following:

1) Multi-level monitoring wells (to evaluate soil stratigraphy);

2) Cumulative impact nitrogen loading analysis employing a saturation build-out model. The analysis shall include verification that the development will not cause the nitrate-nitrogen (N03-N) concentration in groundwater beyond the site to exceed 5 mg/1;

3) Permeability testing;

4) Water quality sampling analysis;

5) Water table contours and groundwater flow direction.

c. **Maximum Lot Coverage**
Within the Aquifer Protection District, no more than 20 percent of a single lot may be rendered impervious to groundwater infiltration for residential uses, and no more that 35 percent for commercial uses.

d. **Septic System Design Installation**
In addition to meeting all local and state septic system siting requirements, all new on-lot waste water disposal systems installed in the Aquifer Protection District shall be designed by a Sanitary Engineer licensed in New Hampshire. These systems shall be installed under the supervision of said engineer.

A designated engineer of the Town shall inspect the installation of each new system prior to covering, and shall certify that the system has been installed as designed.

Septic systems are to be constructed in accordance with the most recent edition of the "Guide for the Design, Operation and Maintenance of Small Sewage Disposal Systems" as published by the New Hampshire Water Supply and Pollution Control Division.

However, the following more stringent requirements shall apply to all septic system construction:

1. At least 24 inches of natural permeable soil above the seasonal high water table.

2. Four feet of natural soil above bedrock.

3. There will be at least three feet of natural permeable soil above any impermeable subsoil.

4. There will be no filling of wetlands allowed to provide the minimum distance of septic to wetlands.

5. A receiving layer which must be under and extend one hundred feet laterally from the proposed system.

6. Standards for fill material: Fill material consisting of organic soils or other organic materials such as tree stumps, sawdust, wood chips and bark, even with a soil matrix, shall not be used.

   The in-place fill should have less than 15% organic soil by volume.

   The in-place fill should not contain more than 25% by volume of cobbles (6 inch diameter).

   The in-place fill should not have more than 15% by weight of clay size (0.002mm and smaller) particles.

   The fill should be essentially homogeneous. If bedding planes and other discontinuities are present, detailed analysis is necessary.

e. **Prohibited Uses**

The following uses are prohibited in the Aquifer Protection Zone except where permitted to continue as a non-conforming use. Such uses shall include, but not be limited to:

1. Disposal of solid waste (as defined by NHRSA 149-M) other than brush or stumps generated on the property on which they are to be disposed.

2. Storage and disposal of hazardous waste.

3. Disposal of liquid or leachable wastes except that from one- or two-family residential subsurface disposal systems, or as otherwise permitted as a conditional use.

4. Subsurface storage of petroleum and other refined petroleum products.

5. Industrial uses which discharge contact type process waters on-site. Non-contact cooling water is permitted.

6. Outdoor storage of road salt or other de-icing chemicals.

7. Dumping of snow containing de-icing chemicals brought from outside the district.

8. Commercial Animal feedlots.

9. Dry cleaning Establishments.

10. Automotive service and repair shops, junk and salvage yards.

11. Laundry and car wash establishments not served by a central municipal sewer.

12. All on site handling, disposal, storage, processing or recycling of hazardous or toxic materials.

f. **Permitted Uses**
The following activities may be permitted provided they are conducted in accordance with the purposes and intent of this Ordinance:

1. Any use permitted by Articles IV - VII of the Town of Kingston Zoning Ordinance, except as prohibited in Section 4 of this article.

2. Activities designed for conservation of soil, water, plants and wildlife.

3. Outdoor recreation, nature study, boating, fishing and hunting where otherwise legally permitted.

4. Normal operation and maintenance of existing water bodies and dams, splash boards and other water control, supply and conservation devices.

5. Foot, bicycle, and/or horse paths and bridges.

6. Maintenance, repair of any existing structure, provided there is no increase in impermeable surface above the limit established in Section 4.c. of this Article.

7. Farming, gardening, nursery, forestry, harvesting and grazing, provided that fertilizers, herbicides, pesticides, manure and other leachables are used appropriately at levels that will not cause groundwater contamination and are stored under shelter.

g. **Conditional Uses**
The following uses, if allowed in the underlying zoning district, are permitted only after a Conditional Use Permit is granted by the Kingston Planning Board:

1. Industrial and commercial uses not otherwise prohibited in section 4 of this Article;

2. Multi-family residential development.

3. Sand and gravel excavation and other mining provided that such excavation or mining is not carried out within eight (8) vertical feet of the seasonal high water table and that periodic inspections are made by the Planning Board or its agent to determine compliance.

The Planning Board may grant a Conditional Use Permit for those uses listed above only after written findings of fact are made that all of the following conditions are met:

i. the proposed use will not detrimentally affect the quality of the groundwater contained in the aquifer by directly contributing to pollution or by increasing the long-term susceptibility of the aquifer to potential pollutants;

ii. the proposed use will not cause a significant reduction in the long-term volume of water contained in the aquifer or in the storage capacity of the aquifer;

iii. the proposed use will discharge no waste water on site other than that typically discharged by domestic waste water disposal systems and will not involve on-site storage or disposal of toxic or hazardous wastes as herein defined;

iv. the proposed use complies with all other applicable sections of this Article.

v. a hydrogeologic study shall be submitted for uses whose septic system is designed for more than 2,400 g.p.d.

The Planning Board may require that the applicant provide data or reports prepared by a qualified hydrogeologist to assess any potential damage to the aquifer that may result from the proposed use. The Planning Board shall engage such professional assistance as it requires to adequately evaluate such reports and to evaluate, in general, the proposed use in light of the above criteria.

5. SPECIAL EXCEPTION FOR LOTS OF RECORD

Upon application to the Board of Adjustment, a special exception shall be granted to permit the erection of a structure on a non-conforming lot within the Aquifer Protection District provided that all of the following conditions are met:

a. The lot upon which an exception is sought was an official lot of record, as recorded in the Rockingham County Register of Deeds, prior to the date on which this amendment was posted and published in the Town.

b. The use for which an exception is sought cannot feasibly be carried out on a portion or portions of the lot which are outside the Aquifer Protection District.

c. Due to the provisions of the Aquifer Protection District, no reasonable and economically viable use of the lot can be made without the exception.

d. The design and construction of the proposed use will, to the extent practical, be consistent with the purpose and intent of this Section.

6. DESIGN AND OPERATIONS GUIDELINES

Where applicable the following design and operation guidelines shall be observed within the Aquifer Protection District.

a. **Nitrate loading.** No development shall cause the nitrate-nitrogen (N03-N) concentration to exceed 5 mg/1 in the groundwater beyond the site.

b. **Safeguards.** Provision shall be made to protect against toxic or hazardous materials discharge or loss resulting from corrosion, accidental damage, spillage, or vandalism through measures such as: spill control provisions in the vicinity of chemical or fuel delivery points; secured storage areas for toxic or hazardous materials; and indoor storage provisions for corrodable or dissolvable materials. For operations which allow the evaporation of toxic or hazardous materials into the interiors of any structures, a closed vapor recovery system shall be provided for each such structure to prevent discharge of contaminated condensate into the groundwater.

c. **Location.** Where the premises are partially outside of the Aquifer Protection Overlay Zone, potential pollution sources such as on-site waste disposal systems shall be located outside the Zone to the extent feasible.

d. **Drainage.** All runoff from impervious surface shall be recharged on the site, and diverted toward areas covered with vegetation for surface infiltration to the extent possible. Dry wells shall be used only where other methods are not feasible, and shall be preceded by oil, grease, and sediment traps to facilitate removal of contaminants.

e. **Inspection.** All conditional uses granted under Section 4.g. of this Article shall be subject to twice-annual inspections by the Building Inspector or other agent designated by the Selectmen. The purpose of these inspections is to ensure continued compliance with the conditions under which approvals were

granted. A fee for inspection shall be charged to the owner according to a fee schedule determined by the Selectmen.

7. NON-CONFORMING USES:

Any non-conforming use may continue and may be maintained, repaired and improved, unless such use is determined to be an imminent hazard to public health and safety. No non-conforming use may be expanded, changed to another non-conforming use, or renewed after it has been discontinued for a period of 12 months or more.

8. ADMINISTRATION

a. **General:** The provisions of the Aquifer Protection District shall be administered by the Planning Board. All development proposals, other than single or two-family residential construction not involving the subdivision of land, shall be subject to subdivision and/or site plan review and approval in accordance with Planning Board rules and regulations. Such review and approval shall precede the issuance of any building permit by the Town.

b. **Enforcement:** The Board of Selectmen shall be responsible for the enforcement of the provisions and conditions of the Aquifer Protection District.

9. EFFECTIVE DATE

This article shall become effective upon the date of passage.

YES 750 NO 275

ARTICLE 6 - Are you in favor of the adoption of Amendment Number 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Adoption of a River Corridor Protection Ordinance which will regulate land use, building and development within 300 feet of Little River and within 150 feet of other perennial brooks and streams.

This Amendment is submitted by the Conservation Commission.

The Planning Board approves this Amendment.

RIVER CORRIDOR PROTECTION ORDINANCE

A. AUTHORITY AND PURPOSE

Pursuant to RSA 674:16-21 the Town of Kingston hereby adopts the River Corridor Protection District and accompanying regulations in order to protect and promote public health, resource conservation and the general welfare and to:

1. Protect, maintain and enhance the water quality of the Little River and its tributaries in the Town of Kingston, and to ensure its continued availability as a public water supply;
2. Conserve and protect aquatic and terrestrial habitat associated with river areas;
3. Preserve and enhance those recreational and aesthetic values associated with the natural shoreline and river environment;
4. Encourage those uses that can be appropriately located adjacent to shorelines.

B. DEFINITIONS

1. **Bulk Storage.** Storage of materials intended for wholesale distribution or used in a manufacturing facility.
2. **Hazardous and toxic materials.** Includes but is not limited to volatile organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids and alkalies, pesticides, herbicides, solvents and thinners, and such other substances as defined in N.H. Water Supply and Pollution Control Rules, Section Ws 410.04(1), in N.H. Solid Waste Rules He-P 1901.03 (v), and in the Code of Federal Regulations 40 CFR 261.
3. **Perennial brooks and streams.** Brooks and streams that appear on U.S. Geological Survey quadrangle maps (7.5″ scale, 1″: 24,000″) covering the Town of Kingston.
4. **Residential accessory building.** A subordinate building located on the same lot as the main building, the use of which is incidental to the main building, and discharges no sewage or other wastes.
5. **Seasonal High Water Level.** The average annual high water elevation of a stream, brook or river, including contiguous wetlands and floodplains.
6. **Shoreline.** The water's edge at seasonal high water level.

C. DISTRICT BOUNDARIES

The River Corridor Protection District in the Town of Kingston is defined as:

1. The areas of land within 300 feet horizontal distance of the seasonal high water level of the Exeter River and its major tributaries. Major tributaries within the Town of Kingston are defined to be the following: Little River (in the north side of town).

2. In addition, the areas of land within 150 feet horizontal distance of the seasonal high water level of all perennial brooks and streams within the Exeter River Watershed which appear on U.S.G.S. quadrangle maps (7.5" scale 1":24,000) covering the Town of Kingston, as revised.

D. USE REGULATIONS

1. **Minimum Lot Size:** The minimum lot size within the River Corridor Protection District shall be the same as required in the underlying Zoning District and by applicable subdivision regulations for the Town.

2. **Maximum Lot Coverage:** Structures, including pavement, shall not cover more than 20% of any lot or portion thereof within the River Corridor Protection District.

3. **Building Setbacks:** No building, except any accessory building permitted as a Conditional Use, septic system or septic system leaching field shall be constructed on or moved to a site within 150 feet from the shoreline of the Little River, or its major tributaries as herein defined, or within 100 feet from the shoreline of perennial brooks and streams located within the River Corridor Protection District.

4. **Surface Alterations:** Alteration of the surface configuration of land by the addition of fill or by dredging shall be permitted within 150 feet of the shoreline of the Little River or its major tributaries only to the extent necessitated by a permitted or conditionally permitted use, or for the construction of transmission lines and access ways, including driveways.

5. **Vegetative Buffer:** Alteration of natural vegetation or managed woodland within 75 feet of the shoreline of the Little River or its major tributaries shall be permitted only to the extent necessitated by a permitted or conditionally permitted use, or by the construction of transmission lines and access ways, including driveways.

6. **Prohibited Uses:** The following uses shall not be permitted within the River Corridor Protection District:

   a. Disposal of solid waste (as defined by the N.H. RSA 149-M) other than brush.

   b. On site handling, disposal, bulk storage, processing or recycling of hazardous or toxic materials.

   c. Disposal of liquid or leachable wastes, except from residential

subsurface disposal systems, and approved commercial or industrial systems that are otherwise permitted by this section.

d. Buried storage of petroleum fuel and other refined petroleum products except as regulated by the NH Water Supply and Pollution Control Division (Ws 411 Control of Non-residential Underground Storage and Handling of Oil and Petroleum Liquids). Storage tanks for petroleum products, if contained within basements, are permitted.

e. Outdoor unenclosed or uncovered storage of road salt and other de-icing chemicals.

f. Dumping of snow containing road salt or other de-icing chemicals.

g. Commercial animal feedlots.

h. Automotive service and repair shops; junk and salvage yards.

i. Dry cleaning establishments.

j. Laundry and car wash establishments not served by a central municipal sewer system.

k. Earth excavation as defined by RSA 155:E, within 150 feet of the Little River or its major tributaries. It is prohibited to conduct said excavation within four feet of the Seasonal High Water Table.

7. **Conditional Uses:**

a. The following uses, if allowed in the underlying zoning district, are permitted only after a Conditional Use Permit is granted by the Kingston Planning Board.

1. Industrial and commercial uses not otherwise prohibited in Section D.6 of these regulations.

2. Multi-family residential development.

3. The clearing of natural vegetation for the creation of new agricultural land not closer than 20 feet to a shoreline, provided that all agricultural activities comply with Best Management Practices as prescribed by the Rockingham County Conservation District.

4. Residential accessory buildings, of less than 400 square feet in first floor area, within 150 feet of the Little River or its major tributaries, or within 100 feet of perennial brooks and streams located within the River Corridor Protection District.

b. The Planning Board may grant a Conditional Use Permit for those uses listed above only after written findings of fact are made that all of the following are true:

1. The proposed use will not detrimentally affect the surface water quality of the adjacent river or tributary, or otherwise result in unhealthful conditions.

2. The proposed use will discharge no waste water on site other than that normally discharged by domestic waste water disposal systems and will not involve on-site storage or disposal of hazardous or toxic wastes as herein defined.

3. The proposed use will not result in undue damage to spawning grounds and other wildlife habitat.

4. The proposed use complies with the use regulations identified in Section D and all other applicable sections of this article.

5. The design and construction of the proposed use will be consistent with the intent of the purposes set forth in Section A.

8. **Special Exception for Lots of Record.** A special exception shall be granted by the Board of Adjustment to permit the erection of a structure within the River Corridor Protection District provided that all of the following conditions are found to exist:

a. The lot upon which an exception is sought was an official lot of record, as recorded in the Rockingham County Registry of Deeds, prior to the date on which this amendment was posted and published in the Town.

b. The use for which the exception is sought cannot feasibly be carried out on a portion or portions of the lot which are outside the Corridor Protection District.

c. Due to the provisions of the River Corridor Protection District, no reasonable and economically viable use of the lot can be made without the exception.

d. The design and construction of the proposed use will, to the extent practical, be consistent with the purpose and intent of this Section.

9. **Permitted Uses:** The following uses are permitted within the River Corridor Protection District provided they are conducted in accordance with the purpose and intent of this Ordinance.

a. Agricultural, including grazing, hay production, truck gardening and silage production, provided that such use will not cause increases in surface or groundwater contamination by pesticides, fertilizers, or other hazardous or toxic substances and that such use will not cause or contribute to substantial soil erosion and stream sedimentation. However, no clearing of natural vegetation within the vegetated buffer (as defined in Section D.5 above) shall be permitted for the purpose of establishing new tilled and cultivated farmland without a Conditional Use Permit (7.d). All pesticide applications shall be conducted in strict accordance with the requirements set forth in N.H. RSA 430:28 **et seq.**

b. Forest Management, including the construction of access ways for said purpose. The cutting of trees shall be limited to fifty percent (50%) of the basal area of all live trees two (2) inches in diameter (as measured four and one-half feet above the ground) and over, before any trees were removed from specified area, in a 20-year period. The remaining uncut trees shall be left well distributed throughout the harvested area. On slopes greater than fifteen percent (15%), tree cutting as described above shall be limited to 25%.

c. Uses permitted in the underlying district of the Zoning Ordinance, except for those listed as conditional uses in Section D.7 and those prohibited in Section D.6.

10. **Non-Conforming Uses:**

a. Non-Conforming uses in existence prior to the enactment of this Ordinance may be continued, maintained, repaired and improved, unless and until such use becomes an imminent hazard to public health and safety. Non-conforming uses may not be expanded or changed to other non-conforming uses.

b. Non non-conforming use may be renewed after being discontinued for a period of 12 months or more.

E. ADMINISTRATION

1. **General:** The provisions of the River Corridor Protection District Ordinance shall be administered by the following:

a. Building Inspector for building permits;

b. Planning Board for subdivision, site plan review, and conditional use approval; and

c. Zoning Board of Adjustment for special exception approval of existing lots.

2. **Enforcement:** The Board of Selectmen shall be responsible for the enforcement of the provisions and conditions of the River Corridor Protection District Ordinance.

EFFECTIVE DATE

This Article shall become effective upon the date of passage.

YES 747 NO 267

ARTICLE 7 - Are you in favor of the adoption of Amendment Number 3 as proposed by the Plannning Board for the Town Zoning Ordinance as follows:

Adoption of a Campground Ordinance regulating the use of campgrounds of ten or more sites by restricting occupancy to the period from May 1 to October 15 and imposing other requirements.

This Amendment was submitted by the Health Officer.

The Planning Board approves this Amendment.

CAMPGROUND ORDINANCE

1. Definitions:
   a. For purposes of this ordinance the following terms shall apply.

      1. The term "camping site" shall mean any area in a campground that will be used for the purpose of accommodating a tent or camper unit.
      2. The term "camper unit" shall mean any recreational vehicle, trailer, tent trailer, van, pickup camper, etc. (but not including mobile homes) which can be used to sleep in.
      3. The term "mobile home" shall mean any trailer unit exceeding 40 feet in length.
      4. The term "campground" shall mean a recreational camping park on which 10 or more tents, or camper units are used as temporary living quarters for recreational use, and a fee is charged for such land use.
2. The camping season shall be from May 1st thru October 15th. No campground may be occupied during off-season.
3. Camping shall be restricted to tents and camper units.

4. Adequate community bathroom facilities shall be provided for all tent sites.

5. No camper unit shall be located in any camping site that does not have a proper hookup to an approved septic system. No individual holding tanks will be permitted.

6. No camper unit shall be installed on a camping site in such a way as to consider it permanent. This shall include but is not limited to the following methods.
   a. No removal of tires.
   b. No removal of towing arms, hitches, etc.
   c. No mounting on blocks, except for the purpose of leveling.
   d. No skirting around the base of any camper unit.

7. No porches or enclosed areas shall be attached to any camper unit unless the porch or enclosed area has been designed to be removed and packed for travel.

8. All water, electric, telephone, and septic systems shall be disconnected from all camper units during off-season.

9. Should any section or provision of this Ordinance be declared by a Court of appropriate jurisdiction to be invalid, such decision shall not invalidate any other section or provisions of this Ordinance.

10. Any person who violates any provision of this Ordinance shall be subject to a fine of $100.00 per day for each day the violation is found to exist.

11. This Ordinance shall become effective upon its acceptance at Town Meeting.

ARTICLE 8 - Are you in favor of the adoption of Amendment Number 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Are you in favor of amending Article II, section 2.20, paragraph 1 by substituting the words "per unit" for the words "per floor" so that that paragraph shall provide:

1. Apartments. One or more rooms, including cooking facilities and sanitary facilities in a dwelling designed as a unit for occupancy by not more than one (1) family for living and sleeping purposes. A minimum living area of 600 square feet **per unit** is required.

This Amendment is submitted by the Selectmen.

The Planning Board approves this Amendment.

YES 686 NO 315

ARTICLE 9 - Are you in favor of the adoption of Amendment Number 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Are you in favor of amending Article II, section 2.20, paragraph 13 by substituting the words "from May 1 to October 15" for the words "primarily during the summer months" so that paragraph shall provide:

13. **Seasonal Residence.** (Amended 3-11-80) One used or intended for use primarily **from May 1 to October 15.**

The Amendment is submitted by the Selectmen.

The Planning Board approves this Amendment.

YES 695 NO 306

ARTICLE 10 - Are you in favor of the adoption of Amendment Number 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Are you in favor of amending Article II, section 2.20, paragraph 14 so that that paragraph shall provide:

14. **Conversion.** (Amended 3-11-80) A structural change to adapt or alter **an existing structure which would increase the load on a sewage disposal system.**

This Amendment is submitted by the Health Officer.

The Planning Board approves this Amendment.

YES 643 NO 333

ARTICLE 11 - Are you in favor of the adoption of Amendment Number 7 for the Town Zoning Ordinance, as follows:

On petition of Alfred E. Choquette and 26 others, to see if the town is in favor of amending the Zoning and Building Code of the Town of Kingston, New Hampshire, adopted March 14, 1978, and as amended, by adding to and amending:

4.61 All land located within the area bounded on the North by Scotland Road beginning at a point which is 350 feet Easterly of the centerline of Main Street (Route 111), and extending East along the Southerly side of Scotland Road a distance of 1,200 feet; bounded on the East by a line perpendicular to Scotland Road a distance of 420 feet, more or less; bounded on the North by a line 400 feet, more or less; bounded on the East by a line 620 feet, more or less; bounded on the North by a line 280 feet, more or less; bounded on the East along the Westerly side of Route 125, 370 feet, more or less; bounded on the South by a line 620 feet, more or less; bounded on the East by a line 240 feet, more or less; bounded on the South by a line parallel to Scotland Road running in a Westerly direction a distance of approximately 1,600 feet; and bounded on the West by a line which is 350 feet from the

centerline of Main Street (Route 111) running parallel to Main Street and Northerly for a distance of 1,650 feet to the Southerly side of Scotland Road shall be included in the Housing for Elderly District.

The Planning Board approves this Amendment.

YES 662 NO 311

ARTICLE 12 - Are you in favor of adoption of Amendment Number 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Are you in favor of amending Article IV, section 4.77, paragraph b. by inserting the words "or propose construction that would be subject to site plan review" so that that paragraph shall provide:

b. Subdivisions and Site Plan Review

Any person who desires to subdivide land or propose construction that would be subject to site plan review within the Wetlands Conservation District shall submit to the Planning Board, in addition to all other requirements stipulated in the subdivision regulations, five (5) copies (copies are given to the Board of Selectmen, Conservation Commission, Town Engineer, and two retained by the Planning Board) of a drainage report and calculations prepared by a Registered Professional Engineer describing the extent of impact on the wetlands.

This Amendment is submitted by the Planning Board.

The Planning Board approves this Amendment.

YES 669 NO 290

ARTICLE 19 - Are you in favor of the adoption of Amendment Number 15 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Are you in favor of amending the Innovative Zoning Ordinance as adopted at the annual Town Meeting held March 11, 1986 by adding the following sentence at the end of paragraph C.2.a. so that that paragraph shall provide:

C.2.a. The total number of dwelling units allowed within a cluster development shall be no greater than that permitted for a conventional subdivision or multi-family use on the same parcel under the Kingston Zoning Ordinance and Subdivision Regulations. The overall building density for a cluster development shall be determined by subtracting all land that would be excluded from development by the Kingston Wetlands Ordinance, then subtracting ten percent of the remaining land for roads and utilities, the remainder of this would be divided by

80,000 square feet to determine the number of dwelling units. The allowed number of units may be grouped or dispersed over the project area in any fashion within the limits imposed by applicable lot dimension restrictions and septic system siting requirments. **As a guide, bedroom density should not exceed four bedrooms per 80,000 square feet.**

This Amendment is submitted by the Planning Board.

The Planning Board approves this Amendment.

YES 703 NO 263

ARTICLE 20 - Are you in favor of the adoption of Amendment Number 16 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Are you in favor of amending the Gravel Pit Ordinance as adopted by the Kingston Board of Selectmen in accordance with N.H. RSA 31:41-b as of March 14, 1979 and amended March 11, 1981 by adding a sentence at the end of paragraph 5 so that that paragraph shall provide:

5. All excavated regions must be reclaimed within one (1) year after the date of gravel pit permit by depositing three (3) inches of loam and seeding area with a perennial seed to produce a permanent vegetation cover. **Where less than three inches of topsoil is present on site before excavation begins, alternate reclamation procedures as recommended by the Soil Conservation Service may be used.**

This Amendment is submitted by the Planning Board.

The Planning Board approves this Amendment.

SANBORN REGIONAL SCHOOL DISTRICT OFFICERS

School Board Member from Kingston - Term Ending 1992:

Electra Alessio		937*
George Korn	(write-ins)	5

Moderator - Term Ending 1990

Richard L. Russman		957*
Electra Alessio	(write-ins)	4

The ballots were wrapped, sealed and locked in the vault at the Town Hall at 11:40 P.M., March 14, 1989.

Bettie C. Oullette
Kingston Town Clerk

MINUTES OF CONTINUED TOWN MEETING AT SWASEY GYMNASIUM - MARCH 15, 1989

Meeting was called to order at 7 P.M. by Electra L. Alessio, Moderator. All pledged allegiance to the Flag of our Country, followed by a moment of silence in memory of Gertrude Semple who did so much for the Town, and others who have passed on during the previous year. She introduced the Board of Selectmen: Charles J. Wagner, Marilyn B. Bartlett and John J. Reinfuss. Also the following members of the Budget Committee: Cindy Nadeau, Arthur Schultz, Edward Jervis, Jr., Jackie Russell, Donna Winslow, Steve Smith, Bob Shaughnessy, Ronald Davis, Jim Rankin, Herbert Noyes, and Carroll Wright; and Bettie Ouellette, Town Clerk-Tax Collector.

The Moderator read all the results of yesterday's balloting, including the 18 questions on the ballots.

(Unless otherwise specified, all votes were by voice.)

ARTICLE 2 - A motion was made and seconded to raise and appropriate $2,427,919.00 to defray town charges for the ensuing year.

An amendment was made by Richard Daniels, to remove $7,500.00 for Street Lights. This was seconded and after much discussion was voted in the affirmative.

An amendment was made by Donald Eadie, to remove $4,134.00 for an additional clerk in the Selectmen's Office. This was seconded and passed. This vote was taken after a motion by David Sanford, to cut off debate, was passed.

An amendment was made by John Archambault, to remove $20,000.00 for legal fees. This was seconded, but this amendment was defeated.

Another amendment was made by Donald Eadie, to reduce the Retirement Fund by $14,000.00. It was seconded, and much confusion followed over exactly what this item meant since most of the employees had not been informed. It was voted to cut off debate, on a motion made by Ronald Eskin. The amendment was defeated.

David Welch made a new amendment to reduce the budget by $14,000.00 for the Fire Chief, but shortly after, he withdrew this amendment.

It was then voted to cut off debate, on a motion by Alan Ard, and the budget was passed at $2,416,285.00. (This was the original amount less $7,500. for Street Lights and less $4,134. for the clerk in the Selectmen's Office.)

ARTICLE 3 - It was voted to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the

collection of taxes for the current year and to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

ARTICLE 4 - It was voted to authorize the Tax Collector to allow a deduction of 1½% from Town Property Tax when payment is made within 30 days of billing.

ARTICLE 5 through 22 - were voted by written ballot Tuesday.

ARTICLE 23 - It was voted to raise and appropriate the sum of $7,557. to be placed in the Capital Reserve Fund, in accordance with RSA 35:1-11, for the future replacement of the Fire Department Ambulance.

ARTICLE 24 - It was voted to pass over this article relative to raising and appropriating $115,000. for designing Town Offices and Police Station in a stand alone structure.

ARTICLE 25 - It was voted to pass over this article relative to raising and appropriating $115,000. for designing an addition to the present Town Hall to include the Police Station.

ARTICLE 26 - It was voted to raise and appropriate the sum of $13,500. to have the Town Hall, Library and Fire Stations properties surveyed as recommended in the Building Needs Report.

ARTICLE 27 - It was voted to raise and appropriate the sum of $131.06 from the Federal Revenue Sharing Fund and to further authorize the appropriation of said monies for the purpose of office equipment for the Town Offices.

ARTICLE 28 - It was voted to raise and appropriate the sum of $2,200. to be added to the Cemetery Maintenance Fund.

ARTICLE 29 - It was voted to authorize the Selectmen to join a sub-district, under the provisions of RSA 149-M:18, within the existing 149-M District and draft a Solid Waste Management plan for the sub-district by October 1, 1989. The direction of the plan shall be to set up a Solid Waste Implementation District under the provisions of RSA 53-A. The plan shall be submitted for approval by the Town before adoption and further, it was voted to raise and appropriate the sum of $8,000. for the payment of the Town's share of the planning sub-district's (149-M) budget. The district will potentially include five (5) member towns: Kingston, East Kingston, Newton, Hampstead and Exeter.

This vote was taken after a motion to "cut off debate" made by Edward Ahlman, was passed.

ARTICLE 30 - This article relative to raising and appropriating $45,000. for weigh scales and accessory equipment for the dump, was NOT passed. (The Moderator declared a 10 minute recess.)

ARTICLE 31 - This article relative to raising and appropriating the sum of $65,000. for a Recycling Facility at the landfill was defeated on a standing "eye" vote. This vote was taken after a motion by Edward Ahlman "to cut off debate", was passed. The voice vote was uncertain, and the Moderator asked for the standing vote.

ARTICLE 32 - It was voted to establish a Capital Reserve Fund for the purpose of the future closing of the Kingston Landfill and to raise and appropriate the sum of $25,190.17 to be placed in the fund.

ARTICLE 33 - It was voted to authorize the Selectmen to appoint five residents of the Town to a permanent committee for plannig and carrying out the celebration of the 300th Anniversary of Kingston in 1994.

ARTICLE 34 - It was voted to raise and appropriate the sum of $500. for the purpose of initiating and planning the Kingston 300th Anniversary Celebration.

ARTICLE 35 - It was voted, as amended, to establish an Expendable Trust Fund to be known as the Kingston 300th Anniversary Celebration Trust. Monies may be withdrawn from said Trust with the approval of the Selectmen of the Town of Kingston on recommendation of the 300th Anniversary Committee.

ARTICLE 36 - This article relative to raising and appropriating $10,000. to fund the Kingston 300th Anniversary Celebration Expendable Trust Fund as created in Article 35, was NOT passed. This vote was taken after a motion made by David Sanford "to cut off debate" was passed.

ARTICLE 37 - It was voted to raise and appropriate the sum of $10,000. to be added to the Capital Reserve Fund established in the 1987 Town Warrant Article #46, for the purpose of conservation land purchase and associated costs.

ARTICLE 68 - A motion was made by Russell Army to act upon Article 68 next since it was on the Conservation Commission subject. This was seconded and voted in the affirmative.

It was then voted, as amended, to authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund RSA 36-A:5 for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purpose of acquisition of the fee or lesser interest in conservation land. Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated purpose. Said appropriated or donated funds and the State matching funds may be expended by majority vote of the Kingston Conservation Commission and the Board of Selectmen.

The vote was taken after it was voted to cut off debate, on a motion made by Paul Meunier. Also, Warren Whitcomb mentioned that the Town should thank the Bakies for land donated to the Commission.

ARTICLE 38 - This article relative to depositing all of the revenues collected pursuant to RSA 79-A (the land use change tax) in the conservation fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II, was defeated. When there was a challenge of the voice vote, by Edward Spinney, the Moderator called for a standing vote, and it was again declared DEFEATED. The first vote was taken after it was voted to cut off debate on a motion made by David Conant. A previous motion to cut off debate on a motion made by Richard Daniels, was defeated and the debate was continued.

ARTICLE 39 - It was voted to raise and appropriate the sum of $25,000. to be added to the Fire Department Capital Reserve Apparatus Fund for the future replacement of Fire Department apparatus.

ARTICLE 40 - A motion was made and seconded to authorize the Selectmen to establish the position of full time Fire Chief. The Chief's salary to be within the wage matrix P10. Said position to be funded from July 1st, 1989. This motion was brought on as amended. It was voted to cut off debate on a motion made by David Moore, and the article was defeated. When the voice vote was uncertain, the Moderator called for a standing "eye" vote, and the article was again declared DEFEATED.

The subject of recessing the meeting was brought up and the Moderator ruled that if some article is to be reconsidered at the next part of the meeting, that she must be notified in writing by 5 registered voters, and the notification should be received within the first half hour of the meeting. The Moderator felt this was the only fair way to

handle the situation due to the very large attendance at the first part of this meeting.

It was then voted to recess until Thursday night at 7 P.M. at the Town Hall. (The gym was not available.) The meeting adjourned at 12:05 A.M.

Bettie C. Ouellette
Kingston Town Clerk

MINUTES OF CONTINUED TOWN MEETING AT TOWN HALL - MARCH 16, 1989

Meeting was called to order at 7:05 P.M. by Electra L. Alessio, Moderator. She announced that she had received two written notifications for the reconsideration of the Budget article and for Article 40, concerning the full time Fire Chief. These were in the form of petitions, signed by voters. The Moderator announced that the voters would have until 7:38 P.M. to petition for reconsideration.

ARTICLE 41 - This article relative to creating a Capital Reserve Fund of $10,000. for the purpose of future library expansion was defeated. When the voice vote was uncertain, the Moderator called for a hand vote, and it was again declared DEFEATED.

ARTICLE 42 - It was voted, as amended, to support a "Zero Tolerance War on Drugs" effort in our community. To encourage our Police, School and other authorities to take the following kinds of measures and send a clear message that we don't want drugs in our towns:

We support active Police Patrol of all juvenile gathering places.

We support thorough Police investigations of all suspected drug activities in our communities.

We support the conduct of searches on reasonable grounds of specific-case pocket and locker searches in the schools.

We encourage the local press to heavily publicize every drug arrest in our communities newspapers.

We support maximum prosecution of anyone caught dealing drugs to kids.

The first amendment made by Brian Collins was later replaced by an amendment made by Frank Brosnan, Jr. During the lengthy discussion, there were three "cut off debate" votes passed and these were made by Arthur Schultz, John Flanders and David Sanford. State Representative David Welch made a point of order and asked that the Moderator not respond too quickly to cut off the debate, whereupon the Moderator explained that when someone moves to cut off debate, those who do not wish to stop debate should just vote against that motion and the debate will continue.

ARTICLE 43 - It was voted as amended to raise and appropriate $3,000. for the Drugs Are Dangerous, Inc. This money is to be used as follows: for a "Hope Instead of Dope" Program. This program will introduce young people in our community to individuals who have accomplished success in endeavors which might serve as inspirations and encouragement to avoid involvement in drugs. This program engages these

young people in activities which might help them build success and self-esteem in their own lives; and for a "Natural High" Program. This program will provide young people and families in our community with healthy and fun alternative activities through the year to help guide them away from the use of drugs and alcohol.

This vote was taken after a motion to cut off debate, made by David Conant, was passed.

ARTICLE 44 - It was voted to pass over this article relative to raising and appropriating $5,700. for Drug Programs for the Recreation Committee.

ARTICLE 45 - It was voted, as amended, to raise and appropriate the amount of $4,800. for the Police Department to use in the Town's "Zero Tolerance War Against Drugs" to conduct undercover Police activities under the supervision of the Chief of Police.

The vote was taken after a motion to cut off debate, made by David Knight, was passed.

ARTICLE 46 - It was voted to raise and appropriate the amount of $1,200. for the Police Department to use towards the purchase of various items at the discretion of the Chief of Police, in the Town's "Zero Tolerance War Against Drugs".

This vote was taken after a motion to cut off debate, made by Edward Ahlman, was passed.

ARTICLE 47 - It was voted to raise and appropriate $500. for the Richie McFarland Children's Center ($250. per child; 2 children served).

ARTICLE 48 - It was voted to raise and appropriate the sum of $1,000. for the purpose of helping to defray the cost of services provided to the Town of Kingston and its residents by Area Homemaker Home Health Aide Service, Inc.

ARTICLE 49 - It was voted to raise and appropriate the sum of $1,500. to help defray the costs of maintenance of the Vic Geary Senior Center, Plaistow, N.H.

ARTICLE 50 - It was voted to raise and appropriate the sum of $638. for the purpose of defraying the cost of services provided to the Town of Kingston and its residents by Seacoast Big Brother/Big Sister of New Hampshire.

ARTICLE 51 - It was voted to raise and appropriate an amount not to exceed $250. to support the Drop A Dime - Dial Against Drugs anonymous call-in line (642-4042) to get word to authorities of suspected drug activities in our town.

ARTICLE 52 - It was voted to raise and appropriate the sum of $2,000. for the support of the Child Development Council, Inc. doing business as the Kingston Children's Center. This is a non-profit organization that provides educational and child-care services, including kindergarten.

ARTICLE 53 - It was voted to raise and appropriate the sum of $5,000. to be added to the Recreation Department Capital Reserve Fund for a future recreation building as created in the 1984 town meeting.

ARTICLE 54 - It was voted on a standing vote (Yes 91 and No 77) to create a Community Center Committee consisting of a minimum of five (5) Kingston residents to study the need for a Community Center in the Town of Kingston.

This vote was taken after a motion to cut off debate, made by Edward Ahlman, was passed. The tellers assisting the Moderator were David Conant, Norman Hurley, William Timmons, Jr. and Robert Whitney.

ARTICLE 55 - This article relative to raising and appropriating $10,000. for the purpose of instituting a feasibility study for a Community Center in the Town of Kingston, was DEFEATED.

The vote was taken after a motion to cut off debate, made by Kathy Radford, was passed.

The Moderator declared a 10 minute recess at this time.

The Moderator declared the meeting reconvened, and Roxanne Moore made a motion to reconsider Article 40 relative to the full time Fire Chief. Several citizens addressed the people, and when the Moderator called for the vote, it was defeated. However, to be certain, she asked for a standing vote, and again declared the reconsideration DEFEATED.

ARTICLE 56 - It was voted to raise and appropriate the sum of $1,380. to the Women's Resource Center, a private non-profit organization, to assist in funding the Rape Crisis Intervention Program. The agency trains police on sexual abuse issues and helps sexual abuse survivors in your town.

ARTICLE 57 - It was voted to pass over this article relative to repealing the election by ballot of Police Officers under RSA 41:47.

ARTICLE 58 - It was voted to pass over this article relative to repealing the election by ballot of Police Chief under RSA 41:47.

ARTICLE 59 - It was voted to establish the term of office of the Police Chief including the Police Chief elected at the 1989 election, as a one year term in order to correct the erroneous action of the 1988 Town Meeting.

ARTICLE 60 - It was voted to pass over this article relative to repealing the election by ballot of Constable under RSA 41:47.

ARTICLE 61 - It was voted to repeal the election by ballot of the Auditors under RSA 41:31 and terminate the office of Auditors effective Town Meeting, 1990.

(It was announced by the Selectmen, that these auditors were no longer necessary, and that the Audit and Management Report is on file in the Selectmen's Office. This Report was received too late to be printed in the annual report.)

ARTICLE 62 - This article relative to repealing the election by ballot of the Highway Road Agent, effective 1990, was DEFEATED. Selectman Charles Wagner attempted to introduce an amendment to change the Term of Office to 3 years, but this was ruled out of order by the Moderator. This vote was taken after a motion to cut off debate, made by David Knight, was voted.

ARTICLE 63 - It was voted to indemnify and save harmless for loss or damage occurring after said vote any person employed by it and any member or officer of its governing board, administrative staff or agencies, including but not limited to Selectmen, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office, as set forth in RSA 31:105 Law of N.H.

ARTICLE 64 - It was voted to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the 1989 calendar year provided that such expenditure be made for purposes for which a Town Meeting may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen and the Municipal Budget Committee hold a public hearing prior to accepting and spending such money.

ARTICLE 65 - A motion was made, seconded and amended to adopt the provisions of RSA 76:15a (Supp 1988) so that taxes will be billed and collected semi-annually as provided in that statute, effective 1990, or as soon thereafter as the Selectmen and Tax Collector are prepared to do so. This article was DEFEATED.

The vote was taken after a motion to cut off debate, made by Edward Ahlman, was passed.

ARTICLE 66 - It was voted to accept the following Amendment to the Town Dump Ordinance.

AMENDMENT TO ORDINANCE

Approved September 7, 1988, Amended September 14, 1988 and February 8, 1989.

Paragraph 2 of Dump Ordinance to read:

"Every vehicle entering the Town Dump must have a Town Dump Permit. Sticker is to be placed as designated by the Selectmen. These stickers are to be issued by the Kingston Town Clerk. Criteria for obtaining a sticker includes: A valid N.H. license or registration or proof as a taxpaying resident of Kingston or member towns of Brentwood, Fremont, Danville or East Kingston. Non-residents with seasonal property will be allowed one sticker. Individuals owning businesses in one of the contracted towns may be issued one sticker upon demonstration of ownership of property. A fee of $1.00 per sticker will be charged for residential vehicles from the above towns. A fee of $100.00 will be charged for commercial haulers of refuse. A fee of $5.00 will be charged for other commercial business vehicles.

An amendment, made by Norman Hurley, to increase the cost of the Commercial stickers to $50.00, was DEFEATED.

ARTICLE 67 - It was voted to authorize the Selectmen to sell surplus goods and equipment from various departments at public auction or by sealed bid.

An amendment, made by Robert Whitney, to strike out "or by sealed bid", was DEFEATED.

ARTICLE 68 - Was already taken up on previous night.

ARTICLE 69 - The motion was withdrawn on this article relative to maintaining roads in a passable condition.

ARTICLE 70 - No motion was made on this article relative to closing Ox Road.

ARTICLE 71 - It was voted to place the lower portion of Sunshine Drive and the circular end of it a "Salt Restricted Zone". We desire a sign indicating the above, with appropriate caution, on the lakeside border of the Lussier driveway and that the area south of this sign be a salt restricted area. The safety rationale for the above is that the entire area in question is flat and that vehicles should slow down for the circle anyway.

ARTICLE 72 - It was voted to send a message to the Legislature and Governor calling for a comprehensive toxics transition law requiring coordinated programs of planning, research, and development, education, enforcement, and economic incentives to achieve toxics reduction by substitution with safer substances.

ARTICLE 73 - It was voted, as amended, that "We, the people, being registered voters and concerned citizens of Kingston, strongly encourage our federal, state and local governments to consciously address and support legislation that will provide and secure the necessary funds and laws to insure the basic human needs and rights of our less fortunate citizens."

The amendment was made by Brian Collins, and the vote on the main motion was taken after a motion, made by John Merrill, to cut off debate, was passed.

ARTICLE 74 - It was voted to authorize the Board of Selectmen to appoint an Affordable Housing Committee within 30 days of the Annual Town Meeting, and that the Committee will make a report to the Board of Selectmen within six months of the appointment. A report of the recommendations by the Board of Selectmen is to be given to the voters at the next Annual Town Meeting stating solutions that have been recommended.

ARTICLE 75 - It was voted, as amended, to authorize the Selectmen to sell tax deeded property at public auction. Further, reference to Warrant Article #46, 1985 Town Meeting, whereby land which becomes town property by tax deed or other means shall be publicly reviewed by the Board of Selectmen, Planning Board and Conservation Commission, to see if it has any future suitable use as public land. Any such parcel identified as having such use will not be auctioned off, but will remain town land. Also reference to Warrant Article #51, 1986 Town Meeting, which precludes Selectmen from selling land that gave public access to waterways.

ARTICLE 76 - A motion was made by Carroll Wright to reconsider Article 2, and this was passed.

It was then voted to remove $7,555. from the total budget figure of $2,416,285. which had been voted previously. Mr. Wright explained this amount as being $13,655. for the Fire Chief's full time salary, less $2,100. for the second half of his part time salary, less $4,000. for the fire inspections, making the net reduction on the budget $7,555.

It was then voted to adopt the grand total of the budget and all articles at $2,522,076.23. This was an affirmation of the total sum spent at this Town Meeting.

During the discussion, the police cruisers were explained, as $15,500. for an additional police cruiser was in the budget voted.

The following Resolution was introduced by David Welch:

"Resolved that it is the intention of the voters of the Town of Kingston that any capital expenditure exceeding $2,500. or the creation of any permanent part-time or full-time position be submitted to the voters at town meeting for prior approval. Recurring items shall be submitted the first year **only.**

It is further resolved that this item shall be submitted as a warrant item to the 1990 town meeting for its consideration."

The Resolution was adopted in the affirmative.

The meeting was adjourned at 12 Midnite.

Bettie C. Ouellette
Kingston Town Clerk

PRECEPT
THE STATE OF NEW HAMPSHIRE
Executive Chamber

To the Town Clerk and Selectmen in the towns of Kingston and Newton -

GREETINGS:

WHEREAS, a vacancy in the representation of Rockingham County Representation District No. 10 has occurred; and

WHEREAS, the Governor, with the advice and consent of the Executive Council, has ordered a special election for the filling of the aforesaid vacancy to be held throughout Rockingham County District No. 10 on January 23, 1990;

NOW, THEREFORE, it is ordered that you cause to be held within your voting district an election to fill the vacancy in Rockingham County District No. 10, all in accordance with law as in such case made and provided.

Governor Judd Gregg

By His Excellency, the Governor
with the advice and consent of the Executive Council

William M. Gardner
Secretary of State

REPORT OF SPECIAL PRIMARY ELECTION — REPUBLICAN PARTY ONLY

WARRANT

THE STATE OF NEW HAMPSHIRE
1990 TOWN WARRANT

The Polls Will Be Open From 10:00 A.M. to 7:00 P.M.
ABSENTEE BALLOTS WILL BE PROCESSED AT 1:30 P.M.

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Kingston on Tuesday, the 13th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town, negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.
4. To see if the Town will vote to authorize the Tax Collector to allow a deducation of 1½% from Town Property Tax when payment is made within 30 days of billing.

Article 5. To see if the Town will adopt Amendment No. 1 as proposed by the Planning Board for the Kingston Aquifer Protection Ordinance as follows:

To clarify Section 4 (Use Regulations) so that d.1., d.2 and d.3 read:

1. At least 24 inches of natural permeable soil above the seasonal high water table must exist prior to constructing a leach bed. The leach bed bottom must be at least six feet above the seasonal high water table.

2. The leach bed bottom is required to be at least eight feet above bedrock and must include at least four feet of natural permeable soil.

3. The leach bed bottom is required to be at least eight feet above any impermeable subsoil and must include at least three feet of natural permeable soil.

The Planning Board approves this amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 6. To see if the Town will adopt Amendment No. 2 as proposed by the Planning Board for the Kingston River Corridor Protection Ordinance as follows:

To expand the Ordinance to include the Pow Wow River and its tributaries and to prevent excavation within 300 feet of the Little River and its tributaries and of the Pow Wow River and its tributaries.

The Planning Board approves this amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 7. To see if the Town will adopt Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Article 7.30 SIGNS by adding the following new section:

7.35 Signs on Route 125 for a plaza or mall shall not exceed 80 square feet. Signs for each individual business within the plaza or mall shall not exceed 24 square feet on its portion of the building.

The Planning Board approves this Amendment.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 8. To see if the Town will adopt the provisions of RSA 231:62-b, as follows: "Are you in favor of increasing the term of a Town Highway Agent from one (1) year to three (3) years, beginning with the term of each highway agent who shall be elected at next year's regular Town Meeting?"

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

Article 9. To see if the Town will adopt the provisions of RSA 72:28, V and VI, as follows: "Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is $100. rather than $50."

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.
RECOMMENDED BY BUDGET COMMITTEE

Article 10. To see if the Town will adopt the provisions of RSA 72:35, IV, as follows: "Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is $1,400. rather than $700."

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.
RECOMMENDED BY BUDGET COMMITTEE

Article 11. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to continue a comprehensive drug awareness program.

RECOMMENDED BY BUDGET COMMITTEE

Article 12. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for computer software to be used for Police Department statistics for accidents and report writing. Expenditure of said monies is contingent upon receipt of matching Highway Safety Grant.

RECOMMENDED BY BUDGET COMMITTEE

Article 13. To see if the Town will vote to raise and appropriate the sum of $2,842.00 for installation and nine (9) months lease of satellite equipment on the Police Station so the Police Department can receive a law enforcement television network for the purpose of continued training. The current annual lease is $3,456.00.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 14. To see if the Town will vote to raise and appropriate the sum of $12,000.00 as the Town's share of the proposed State Aid Reconstruction Project on Route 125 at the Newton Junction/Hunt Road intersection. The State's share of $24,000.00 is to be applied directly to the project.

RECOMMENDED BY BUDGET COMMITTEE

Article 15. To see if the Town will vote to raise and appropriate the sum of $4,400.00 for the purpose of repairing and making over the front steps at the Town Hall.

RECOMMENDED BY BUDGET COMMITTEE

Article 16. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the 1990 calendar year provided that such expenditure be made for purposes for which a Town Meeting may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen and the Municipal Budget Committee hold a public hearing prior to accepting and spending such money.

RECOMMENDED BY BUDGET COMMITTEE

Article 17. On petition of Dorothy M. Wagner and fifteen (15) other registered voters of the Town of Kingston to see if the Town will vote to create a Capital Reserve Fund for the purpose of future library expansion and to raise and appropriate the sum of $10,000.00 to be placed in said fund.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 18. On petition of Dorothy M. Wagner and sixteen (16) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $5,000.00 to air condition the Nichols Memorial Library.

RECOMMENDED BY BUDGET COMMITTEE

Article 19. On petition of Russell V. Army and twelve (12) other registered voters of the Town of Kingston to see if the Town will vote to deposit 50% of the revenues collected pursuant to RSA 79-A (the Land Use Change Tax) in the Conservation Fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25 II.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 20. On petition of Russell V. Army and twelve (12) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $10,000.00 to be added to the Capital Reserve Fund established in the 1987 Town Warrant Article 46 for the purpose of conservation land purchase and associated costs.

RECOMMENDED BY BUDGET COMMITTEE

Article 21. On petition of Russell V. Army and twelve (12) other registered voters of the Town of Kingston to see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Fund KCC RSA 36-A:5 for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purpose of acquisition of the fee or lesser interest in conservation land. Further, that monies from the Capital Reserve Fund for conservation land purchase may be expended for the above stated purpose. Said appropriated or donated funds and the State matching funds may be expended by the majority vote of the Kingston Conservation Commission and the Board of Selectmen.

RECOMMENDED BY BUDGET COMMITTEE

Article 22. On petition of the Kingston Fire Wards and twelve (12) other registered voters on behalf of the Kingston Fire Department to see if the Town will vote to raise and appropriate the sum of $40,000.00 to be added to the Fire Department Apparatus Fund for the future replacement of Fire Department Apparatus.

RECOMMENDED BY BUDGET COMMITTEE

Article 23. On petition of the Kingston Fire Department Truck Committee, Kingston Fire Wards and twelve (12) other registered voters on behalf of the Kingston Fire Department to see if the Town will vote to withdraw the sum of twenty-eight thousand five hundred dollars ($28,500.00) from the Fire Department Apparatus Fund for the purpose of purchasing a new Rescue/Utility/Forestry truck. Price to include all wheel drive truck cab and chassis (12,000 lbs. gvw.) 250 gallon tank skid unit with forestry pump, utility box with compartments, lights, mobile radio and siren. This vehicle is to replace 1954 Chevrolet, 1954 Dodge power wagon (Army surplus) and 1968 Jeep pick-up (Army surplus).

RECOMMENDED BY BUDGET COMMITTEE

Article 24. On petition of the Kingston Fire Wards and ten (10) other registered voters on behalf of the Kingston Fire Department to see if the Town will vote to raise and appropriate the sum of $1,750.00 for the purchase of an IBM compatible computer, printer, monitor and software packages for use at the Fire Station.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 25. On petition of the Kingston Fire Wards and eleven (11) other registered voters on behalf of the Kingston Fire Department to see if the Town will vote to raise and appropriate the sum of $962.50 for the purpose of paying for legal council the Fire Wards sought during the suspension of the Fire Chief by the Kingston Board of Selectmen.

RECOMMENDED BY BUDGET COMMITTEE

Article 26. On petition of the Kingston Fire Wards and twelve (12) other registered voters on behalf of the Kingston Fire Department to see if the Town will vote to raise and appropriate the sum of $4,067.50 to be placed in the Capital Reserve Fund for the future replacement of Fire Department Apparatus. Said sum representing the monies received from the sale of Fire Department surplus or out of service equipment that was sold at public auction in 1989.

RECOMMENDED BY BUDGET COMMITTEE

Article 27. On petition of the Kingston Fire Wards and twelve (12) other registered voters on behalf of the Kingston Fire Department to see if the Town will vote to raise and appropriate the sum of $4,217.11 to be placed in the Capital Reserve Fund in accordance with RSA 35:1-11 for the future replacement of the Fire Department Ambulance. Said sum representing the monies received from the use of the ambulance for the year 1989, including $4,217.11 collected from ambulance fees.

RECOMMENDED BY BUDGET COMMITTEE

Article 28. On petition of fourteen (14) registered voters of the Town of Kingston to see if the Town of Kingston will vote to remove the office of Fire Wards in the Fire Department and replace the positions with Fire Engineers. Said appointments to be made by the Board of Selectmen upon application showing qualification and experience for each position (RSA 154:17).

Article 29. On petition of fourteen (14) registered voters of the Town of Kingston to see if the Town of Kingston will vote to revoke the salary scale for all Firemen and pay any Fireman who responds to a fire call a stipend at the end of the year, a true policy of a Volunteer Fire Department (RSA 154:16).

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 30. On petition of eleven (11) registered voters of the Town of Kingston to see if the Town of Kingston will vote to disband the Ambulance Corps. Said ambulance and all equipment to be sold at public auction and, in the future, contract with a private ambulance service to cover the Town.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 31. To see if the Town will vote to raise and appropriate from the 12/31/89 Fund balance the sum of $1,500.00 to be added to the Cemetery Maintenance Fund. Said monies being the amount received in 1988 for timber sold from the Greenwood Cemetery woodlot.

RECOMMENDED BY BUDGET COMMITTEE

Article 32. To see if the Town will authorize the Trustees of Trust Funds to add to the Cemetery Maintenance Fund all funds received from the sale of cemetery lots for the maintenance of the Town's public cemeteries. This authority is to continue from year to year until revoked by vote of the Town.

RECOMMENDED BY BUDGET COMMITTEE

Article 33. To see if the Town will vote to raise and appropriate the sum of $6,500.00 to purchase one (1) new eleven (11) foot Hydraulic Reversible Plow. Said price to include installation.

RECOMMENDED BY BUDGET COMMITTEE

Article 34. To see if the Town will vote to raise and appropriate the sum of $13,500.00 for the replacement of the 1954 Ford Tractor used for mowing the Plains.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 35. To see if the Town will vote to raise and appropriate the sum of $4,000.00 for the purchase and installation of one E.P.A. Approved Waste Oil Burning Furnace to be used as a supplemental heating source at the Highway Garage.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 36. To see if the Town will vote to raise and appropriate the sum of $1,700.00 for the purchase and installation of a Combination Entry and Fire Alarm System and its monitoring at the Town Highway Garage.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 37. To see if the Town will vote to raise and appropriate the sum of $8,000.00 for the purpose of widening, by two feet, the garage door entrance at the Fire Station, which now houses the new fire engine.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 38. To see if the Town will vote to raise and appropriate the sum of $1,500.00 to help defray the costs of operating the Vic Geary Center. The Center is utilized on a daily basis by senior citizen residents of the Town of Kingston.

RECOMMENDED BY BUDGET COMMITTEE

Article 39. On petition of Janice A. Casey and fourteen (14) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $1,500.00 for the purpose of helping defray the cost of services provided to the Town of Kingston and its residents by Area Homemaker Home Health Aide Service, Inc.

RECOMMENDED BY BUDGET COMMITTEE

Article 40. On petition of Barbara E. Sylvester and sixteen (16) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $500.00 for the Retired Senior Volunteer Program to help defray some of the expenses for the fiscal year 1990-1991.

RECOMMENDED BY BUDGET COMMITTE

Article 41. To see if the Town will vote to amend the Regulations under BUILDING INSPECTOR, Adopted March 14, 1977; Amended March 9, 1988, by changing the last two sentences to read: "Fees for additions or alterations to existing structures, sheds, garages, barns, pools, signs, etc. shall be $25.00 up to $5,000.00 of construction costs and $2.50 for each additional $1,000.00 of construction costs after $5,000.00 as set by most current BOCA Code estimates. An additional charge of 50% of the fee may be charged for any construction begun without a permit."

RECOMMENDED BY BUDGET COMMITTEE

Article 42. To see if the Town will vote to amend the SWIMMING POOL FENCE ORDINANCE. Adopted March 14, 1977 and Amended July 31, 1989, by adding the following paragraph: "Above ground swimming pools which have a fence on top and a locking stairway/gate are not required to place a separate fence around the pool."

Article 43. To see if the Town will vote to accept the following Town Landfill Ordinance as Amended March 11, 1987, March 16, 1989 and July 31, 1989.

TOWN LANDFILL ORDINANCE

This Ordinance is established and governed by the laws of the State of N.H. RSA Chapter 147.

1. The Town Landfill shall be used for the purpose of dumping garbage and refuse as defined in RSA 147:23-29 only and for no other purposes.

2. Every vehicle entering the Town Landfill must have a Town Landfill permit. Sticker is to be placed as designated by the Selectmen. These stickers are to be issued by the Kingston Town Clerk. Criteria for obtaining a sticker includes:

A valid N.H. license or registration or proof as a tax-paying resident of Kingston.

Non-residents with seasonal property will be allowed one sticker.

A fee of $1.00 per sticker will be charged for residential vehicles.

A fee of $100.00 will be charged to contracted commercial haulers of refuse and a fee of $5.00 will be charged for Kingston commercial business vehicles. A $7.00 scale fee plus $50.00 per ton will be charged to contracting municipalities for each visit to the Landfill. A $7.00 scale fee plus $60.00 per ton will be charged for all other vehicles.

3. No person shall frequent the Town Landfill for purposes of salvaging items therefrom without specific authorization from the Selectmen in each instance.

4. The use of firearms for any purpose at the Town Landfill is prohibited.

5. Any portion of this Ordinance declared to be illegal or unenforceable shall not effect the legality or enforceability of the remaining provisions.

It shall be illegal to dump any material at the Kingston Landfill without a Landfill Permit and without paying the scale fee and tonnage fee.

A fine not to exceed $500.00 may be levied against any person or persons who violate this Ordinance or who enter the Kingston Landfill area after being denied permission by the Landfill operator, dump checker or any Town Official.

6. Persons with Landfill Permits will be allowed to enter the Kingston Landfill during normal hours of operation. Each vehicle will be stickered by future entrance. Kingston residents may deliver "White Goods" (which includes refrigerators, stoves, washing machines, dryers and similar appliances) and occasional tires to the Kingston Landfill. A charge of $7.50 per white good item and $1.00 per tire must be paid to the Landfill attendant. Batteries accepted at designated areas without charge.

RECOMMENDED BY BUDGET COMMITTEE

Article 44. To see if the Town will vote to indemnify and save harmless for loss or damage occurring after said vote any person employed by it and any member or officer of its governing board, administrative staff or agencies, including but not limited to Selectmen, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the

injury, damage or destruction was acting in the scope of his employment or office, as set forth in RSA 31:105 Law of N.H.

RECOMMENDED BY THE BUDGET COMMITTEE

Article 45. On petition of David H. Knight and eighteen (18) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $3,000.00 for Drugs Are Dangerous, Inc. (DAD).

RECOMMENDED BY THE BUDGET COMMITTEE

Article 46. On petition of Richard C. Gerrish and thirty one (31) other registered voters of the Town of Kingston to see if the voters will authorize the Board of Selectmen to once again appoint an Affordable Housing Committee to continue study of the feasibility of affordable housing and create plans for its construction in Kingston.

Article 47. On petition of Richard C. Gerrish and thirty five (35) other registered voters of the Town of Kingston to see if the voters of the Town of Kingston will authorize the Board of Selectmen to negotiate with a non-profit organization for building of affordable housing on a forty one (41) acre parcel of land presently held by the Town which is located on Frye Road (Tax Map R-7, Lot 1).

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 48. On petition of Richard C. Gerrish and forty four (44) other registered voters of the Town of Kingston to see if the voters will authorize the Board of Selectmen to apply for and accept funds from any federal or state agency dispensing funds for the creation of affordable housing including but not limited to funds from New Hampshire Housing Authority and from New Hampshire Office of State Planning.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 49. On petition of Richard C. Gerrish and thirty two (32) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $500.00 for the purpose of defraying the cost of services provided to the Town of Kingston and its residents by "CROSSROADS HOUSE", a non-profit homeless shelter located in Portsmouth, New Hampshire.

NOT RECOMMENDED BY BUDGET COMMITTEE

Article 50. On petition of Lynne B. Merrill and nineteen (19) other registered voters of the Town of Kingston to see if the Town will authorize the Selectmen to appoint seven residents of the Town to a permanent committee for planning and carrying out the celebration of the 300th Anniversary of Kingston in 1994.

Article 51. On petition of Lynne B. Merrill and eighteen (18) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $10,000.00 to fund the Kingston 300th Anniversary Celebration Expendable Trust Fund. Said monies to be returned to the Town from income derived from anniversary events after the celebration year. (As happened with Kingston's 275th Celebration).

RECOMMENDED BY BUDGET COMMITTEE

Article 52. On petition of Lynne B. Merrill and eleven (11) other registered voters of the Town of Kingston to see if the Town will authorize the Selectmen to appoint a committee of eleven (11) to continue to seek solutions to Kingston's Solid Waste problems.

Article 53. On petition of Lynne B. Merrill and twelve (12) other registered voters of the Town of Kingston to see if the Town will vote to raise and appropriate the sum of $10,000.00 to set up a voluntary recycling program at Carriage Towne Plaza.

RECOMMENDED BY BUDGET COMMITTEE

Article 54. On petition of Roxanne M. Moore and ten (10) other registered voters of the Town of Kingston to see if the Town will vote to place all future social services requests in separate warrant articles rather than "grandfathering" these agencies beyond the scrutiny of the taxpayers.

Article 55. To see if the Town will vote to require that any non-recurring capital expenditure exceeding $2,500 or the creation of any new permanent part-time or full-time position be submitted to the voters at Town Meeting for prior approval. Recurring items shall be submitted the first year only.

Article 56. To see if the Town will vote to raise and appropriate the sum of $250.00 to help defray the cost of services provided to the Town of Kingston and its residents by the Richie McFarland Children's Center.

RECOMMENDED BY BUDGET COMMITTEE

Article 57. To see if the Town will vote to raise and appropriate the sum of $1,380.00 to help defray the cost of services provided to the Town of Kingston and its residents by the Women's Resource Center.

RECOMMENDED BY BUDGET COMMITTEE

Article 58. To see if the Town will vote to raise and appropriate the sum of $1,632.00 for the purpose of defraying the cost of services provided to the Town of Kingston and its residents by Seacoast Big Brother/Big Sister of New Hampshire.

RECOMMENDED BY THE BUDGET COMMITTEE

Article 59. To see if the Town will vote to authorize the Board of Selectmen to sell surplus goods and equipment from various departments at public auction or by sealed bid.

RECOMMENDED BY THE BUDGET COMMITTEE

Article 60. To see if the Town will vote to authorize the Board of Selectmen to see tax deeded property at public auction or by sealed bid.

RECOMMENDED BY BUDGET COMMITTEE

Article 61. To see if the Town will vote to support the expansion of the Passenger/Commuter Rail Service into New Hampshire for the purpose of relieving the automobile congestion on our highways. Further, to authorize the Board of Selectmen to appoint a committee to represent Kingston at meetings planned to work toward this goal.

Article 62. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and ninety.

TRUSTEE OF THE TRUST FUNDS
ANNUAL REPORT - 1989

There was no change in membership of the Board in 1989 until Mr. Leonard F. Sanborn resigned, due to illness, on November 15, 1989, after long and devoted service to the Town of Kingston. George W. Leate was appointed on December 8, 1989, to take Mr. Sanborn's place.

Mary Kanaly and Roger Nason were re-elected in March for another three year term.

Twelve new perpetual care trust funds were established for lots sold in 1989. There were no new special trust funds but the school scholarship funds were increased by the addition of unused income. Earnings of special trust funds were disbursed in December.

Foundation planting was added to the four new cemetery signs.

Maintenance work was performed at the cemeteries by Robert Mooers, George Leate, David Peterson, and George Lothian.

Walter S. Clark	Term Ends 1990
Phyllis C. Ellis	Term Ends 1990
Leonard F. Sanborn (Resigned)	
George W. Leate	Term Ends 1991
Mary V. Kanaly	Term Ends 1992
Roger H. Nason	Term Ends 1992

1989 REPORT OF TOWN CLERK - TAX COLLECTOR

In 1989 there was a small increase of $13,743. in Motor Vehicle revenue, compared to increase of $26,955. in 1988 and $41,981. in 1987. Total vehicles registered shows a decrease of 198, compared to an increase of 189 for 1988. Total was 6,414. Less dogs were licensed - 580 and 10 groups, compared to 824 and 9 groups for 1988. The total receipts decreased by $1,427.50. I have been attempting to mail a notice through a "merge" process on the new computer system, but so far, it does not work! PLEASE CHECK YOUR DOG to be sure it was licensed properly for 1989. We will be collecting this in cooperation with the Dog Officer. There is a penalty of $1.00 per month after May 31st.

The following Vital Statistics were recorded: 49 Births, 62 Marriages and 31 Deaths which indicates a decrease of 22 Births; an increase of 4 Marriages; an increase of 7 Deaths. The Boat Tax Revenue increased by $4,180.34. As most of you know, there was a new procedure on boat registrations for 1989 and a similar process will be followed for 1990. Holly Ouellette, Deputy, attended a Training Session for the issuance of the 1990 boat registrations. Each person who registered a boat last year should receive a preprinted form from the State. It can be mailed back to Concord or validated at our office.

In 1989, 107 Voter Registrations were accepted, as well as 13 Party Changes and 8 name changes. Our work is performed in full cooperation with the Supervisors of the Check List. In 1989 there were two elections - Town Meeting on March 14th and the Special State Primary on December 19th. In 1990, there will be at least 4 elections as follows: State Election on January 23; Town Meeting on March 13; State Primary on September 11; General Election on November 6. The voting takes place in the Town Hall upstairs and the polls are open from 10 A.M. to 7 P.M. Absentee ballots are available for anyone who is physically unable to come to vote as well as those who are on vacation, working out of Town, etc. Phone 642-3112 for information. Absentee ballots MUST BE RETURNED to the Town Clerk by 5 P.M. the day BEFORE any election.

As of January 1, 1990, we are no longer able to issue the twenty day temporary plates, but the Motor Vehicle Sub-stations still have them. We are still servicing everyone by issuing renewal decals for the State Motor Vehicle Dept., and this service continues to be well received by everyone. We can also issue new plates for most vehicles, and we can also do the State part of the transfers - up to 8000#.

The Property Tax Warrant of $5,079,854.44 shows another large increase of $154,007.37. As of December 31st, 82.5% was collected, leaving a balance due of $887,092.69. The balance due on previous years taxes was $168,635.27, showing a large increase from last year -

largely due to the economy, along with a much larger tax burden for everyone. After the taxes go into the Tax Lien process, the owner has two years to redeem the taxes, but the interest moves up to 18% per annum.

Again, I wish to express my appreciation to Holly Ouellette, Deputy Town Clerk and Deputy Tax Collector, for her continued dedication to the Town of Kingston and all its residents. Holly performs many tasks as a volunteer. I also wish to express special thanks to Alice Tarbox and Ann Sullivan in the Selectmen's Office for all their cooperation and assistance in getting all the Tax information verified so that we could produce the tax bills on our own computer system. Hopefully the worst is behind us and I'm looking forward to the next billing with hopes that everything will go more smoothly. There have been many, many things to learn and there are still more that we need training on, including the complicated Lien Process. It would be total chaos to consider twice a year billing until we have become familiar with doing the entire process on a once a year basis.

Many thanks to Olive Moriarty who works in complete cooperation with me, and her efficiency is appreciated. Thanks to all other elected officials and committee members for their cooperation. I have continued to keep the census figures daily and as of December 31, 1989, the population was 5,988. During the year I made 1,488 entries in order to keep this census on a current basis.

I want to thank Mrs. Maria Haydock for her professional assistance on the Computer, as well as committee members, Don Eadie and Jim Rankin for their help and support. I am now completing 30 years as Tax Collector and 20 years as Town Clerk. There is an old expression: "Time flies when you're having fun". All these years have certainly flown by; so it means that I have had fun, and I deeply appreciate the support and cooperation that has been shown to me by all the residents over the years. I am also a Notary Public and Justice of the Peace, serving all Departments. Also, many thanks to Alan Krauss, Building Superintendent, for all his services, and appreciation to the Police Department for their many services.

Bettie C. Ouellette
Town Clerk - Tax Collector

KINGSTON, N.H. HISTORICAL MUSEUM
REPORT FOR 1989

The Kingston Historical Museum was open on the last Saturday in July, and by appointment. 35 members of the SANBORN FAMILY visited the Museum in August. They came from many different states as well as from Europe, and were much interested in the exhibits.

Since we have had trouble attracting people to visit the museum, the committee asked the Postmaster, Richard Connelly, if they might provide a display case and exhibit artifacts and collections of interest.

The following exhibits were shown for several weeks.

1. Souvenir pieces from Kingston.
2. Interesting display of old shoes.
3. Bakie Store and other country store items.
4. Christmas toys and decorations still in excellent condition.

There was a great deal of interest in these - especially by small children.

The annual Flea Market on the Plains was held as usual and was very well attended.

This year the Museum Committee voted to turn all proceeds over to the Kingston Historical Society to be used for work on the Church On The Plains.

It was felt that an up to date appraisal should be made for insurance purposes. This was done and presented to the Board of Selectmen by Deborah Swenson, Licensed Appraiser and Auctioneer.

We have several projects pending.

1. New door.
2. Refurbish and install weathervane on Town Hall.
3. Replace steps.

The Committee was saddened by the passing of Gertrude Semple, a long time member. Her daughter, Ruth Ready, was asked to serve in her place.

Respectfully submitted,

Nancy T. Rent &
William S. Rent
Chairpersons

KINGSTON FOOD PANTRY

The year of 1990 is rolling around and it is time for a Kingston Food Pantry report.

In this past year many have requested help for some reason or other. We have served 33 families from the Food Pantry and in some cases had to give food two and three times to a family. The cost of the food given out by the Pantry up until the last part of December, 1989 was $4,002.14. The need for Aid has increased over the years.

A few families were fire victims with a complete loss, the Pantry and other agencies were there to help with food and clothing. Being a service unit representative for the Salvation Army, we had a mobile home transported to a victim's home at the cost of $400.00.

This past year I've requested donations from different people of the Town in order for the Pantry to continue. I'm very grateful to the following people for the generous donation that each has made. Thank you again.

Mr. Robert French, Northland Forest Products, Church Street
Pond View Restaurant, Route 125
Walter Clark & Sons Oil, 135 Main Street
Camper's Inn, Route 125
Century Market, 53 Church Street
Mr. Mike's, Main Street
Town House Restaurant, 111 Main Street
Kingston Historical Society, 86 Main Street
Mrs. Carolyn Christie, 18 Church Street
Mr. & Mrs. Joseph Wicker, Kingston Pines
Mr. & Mrs. Christopher P. Robinson, 14 Clement Ave.
VFW Ladies Auxiliary Post 1088, Route 125
Kingston Realty, Main Street
Mr. & Mrs. Richard W. Senter, 18 Old Mill Road
Kingston Junior Womens' Club
Kingston Medical Center, Church Street
Mr. & Mrs. Kenneth Briggs, Exeter Road
Encore Theater, Kingston
South Road Kindergarten, South Road
Bakie School, 178 Main Street
Mr. Richard Cretien & Class, Sanborn Middle School
Mr. Henry Torromeo, 33 Old Ferry Road, Massachusetts
and also everyone that brought in their bag of goodies during the year. The Food Pantry is supported by donations and does not request allowance from the Town.

The Food Pantry and the Welfare Office of Kingston are known to many agencies of the State, Rockingham Community Action, Fuel Assistance, Food Stamps, State Welfare, WIC, Salvation Army, Red Cross, Crisis Home and others. Anyone in need of information or help please call 642-9971.

The past year the Kingston Food Pantry has helped start a Food Pantry in East Kingston. Last year the Rockingham Community Action requested our pantry to help with food to a few families in that Town.

We also gave Thanksgiving and Christmas baskets to familiies, also toys.

The Food Pantry is located on the 2nd floor of the Town Hall and everyone is invited to visit and see how it helps the needy. In closing my report, again I want to THANK everyone for their kindness in helping.

Food Pantry Director
Welfare Officer
Michael Priore

ANNUAL REPORT
KINGSTON BOARD OF ADJUSTMENT

The purpose of the Kingston Board of Adjustment is to grant variances which allow fair use of a person's property without harming another's.

This year the Kingston Board of Adjustment met ten times and dealt with fourteen applications.

Sincere thanks is given to the board members who donated their time so willingly.

David Dearborn, Chairman
Kingston Board of Adjustment

ANNUAL REPORT
KINGSTON PLANNING BOARD

The purpose of the Kingston Planning Board is to promote orderly growth, to protect the Town's natural resources, and to maintain its character.

This year the board held fourteen public hearings and reviewed seventeen site plans, ten subdivisions, four lot line adjustments, and seven gravel pit applications. The board also approved eleven minor businesses.

The board is presently working to expand the River Corridor Protection District to include the Pow Wow River and its tributaries, and to clarify two sections of the Aquifer Protection Ordinance. The board has also updated the Town's site plan and subdivision regulations.

In 1990, the board will work to develop a complete Capital Improvements Program, to update the gravel pit regulations so that they are in line with the new state regulations, and will revise Kingston's Master Plan in compliance with state law.

Sincere thanks is given to the board members for all their work, and to the people of Kingston who took the time to attend meetings and to express their opinions.

Kenneth L. Weyler, Chairman
Kingston Planning Board

RECYCLING/REFUSE COMMITTEE

This committee has strived to reach three goals:

1. To develop an affordable recycling plan for Kingston residents;
2. To investigate the two companies who are interested in purchasing the Kingston Landfill - CKS Management and Development Company, who wants to put an integrated solid waste processing facility on the site, and Wheelabrator Technologies, who wants to use the site for an ash landfill; and
3. Develop recommendations for the selectmen as to a recycling program and the landfill.

The committee conducted a survey of Kingston residents to learn their opinions about both recycling and long range solid waste goals. The results of this survey were published in area newspapers.

We are presenting a recycling plan to the Town in the form of a warrant article which will allow Kingston residents to drop off their recyclables at a central location on a weekly basis.

We are continuing the investigation of the two companies, as well as looking into two other options: continuing to use the landfill for the next few years and put aside money for the landfill's closure; and closing the landfill now. The committee is planning to present our conclusions on all four of these options to the Town at a hearing and a special town meeting later in the year.

After the townspeople have had an opportunity to make their wishes known at town meeting, we will assist in the implementation of a recycling program and advise the selectmen on the solid waste plan.

NICHOLS MEMORIAL LIBRARY

As 1989 comes to a close and we conclude the year's statistics, we are very pleased to find the circulation has increased by three thousand. This includes books as well as magazines and audio visual material. The adult room continued to add to the books on tape, and new this year is a video collection in the children's room. These circulate free of charge for a two day period.

The meeting room continues to be used on a regular basis for The Rockingham Planning Commission and The Kingston Area Junior Women.

Funds were raised that enabled us to purchase an Epsom computer, a printer and a modem. At the present time it holds the complete patron list which facilitates calling for overdue and reserve books. In the near future this system, when up and running, will provide thè means to access SAILS which contains all of the seacoast libraries. This will expedite ordering books we do not have on our shelves for the library user.

The children's room has been markedly active this year as several classes from the Bakie School came weekly as a group to use the library. Gerry also has a story and craft hour on Tuesday mornings and afternoons. All this activity plus the volume of books crossing the desk was impossible for one person to handle. In October Karen Conti was hired as a part-time employee. In addition, volunteers have been most helpful in the children's room.

We want to publicly thank the following organizations and people for their continued support: The Kingston Garden Club, The Kingston Junior Women, The Magnusson Memorial, The Merwin Memorial, Northland Forest Products, The Rockingham Planning Commission and Mr. and Mrs. Carroll Wright.

Carol Rich
Librarian

KINGSTON AFFORDABLE HOUSING COMMITTEE SUMMARY REPORT

In the 1989 Town Meeting, the voters authorized the selectmen to appoint an Affordable Housing Committee to study housing affordability in Kingston and provide solutions to the difficulty being experienced by families and individuals being unable to afford to reside in town.

The Committee has identified about 50 families in town who are very low income and who receive income from a program for public assistance.

There are a number of other individuals and families in Kingston who, we have been told, live with their parents because they cannot afford to live elsewhere.

The Rockingham County Planning Commission has studied the communities in the region, the income of its residences, the cost of its housing and other relevant factors. It has determined that Kingston should offer 53 more units of 'affordable housing'; which is defined currently by state law as housing which costs less then approximately $85,000. for a family of four (4).

There are two ways of doing this, the first way is to actually arrange for construction of housing supported by the town. We propose that the town dedicate a piece of land which is appropriate for this purpose. Having reviewed all town property, we propose that approximately 20 units of housing be built on a 41 acre parcel of town property located on Frye Road.

The second way to encourage affordable housing is to facilitate by changing the town regulations to make it more economical for such housing to be built privately. To this end, we have made a number of suggestions to allow greater density in certain areas, permit private individuals to develop their properties for rent and allow reduced road construction requirements with respect to residential property, all to enable privately constructed housing to be more affordable. We made our suggestions for zoning, and other changes consistent with the existing town regulations such as those for septic systems and other safety and health standards.

The Committee members are: Michael Chambers
Denise Devlin
Diane Eadie
Ronald Eskin
Michael Furness
Danielle Genovese
Richard Gerrish

Gertie McGlinchey

KINGSTON POLICE DEPARTMENT
ANNUAL REPORT

The Kingston Police Department, is continuing the fight against drugs, which are ever present in our schools, by continuing the knowledge of drugs and what they can do to people.

The Police Department will continue educating youth and parents alike on the effects of drug use.

1989 ARRESTS/SUMMONS

D.W.I.	38
Speed	259
Criminal Trespass	5
Motor Vehicle Laws	161
Including:	
No Parking	
Following too close	
Defective equipment	
Uninspected	
Stop sign	
Yellow line	
Conduct after accident	
Unregistered motor vehicle	
No driver's license	
Driving after suspension	
Traffic light	
Unsafe passing	
Improper turn	
Failure to yield	
D.U.I. drugs	
Possession of drugs/alcohol	32
Reckless Driving/Conduct	16
Misc. Offenses	
Including:	
Resisting arrest	
Town Ordinances	
Possible stolen property	
Issuing bad checks	
Simple assault	
False report to police	
Criminal threatening	
Disorderly conduct	
Disobeying a Police Officer	
Receiving stolen property	
Prowling	

I would like to personally thank Lt. Donald W. Briggs, Jr. for the assistance he has given me this past year, as well as my other police officers for taking the interest in educating themselves further through available schooling.

I would also like to extend my thanks and appreciation to the townspeople for their continuing support of the Police Department.

Respectfully submitted,

Neil R. Parker, Sr.
Chief of Police

REPORT OF THE KINGSTON FIRE DEPARTMENT

In 1989 the Kingston Fire Department responded to 281 ambulance calls and 195 fire calls, over 14% more than last year. These calls included 16 structure fires, another tire pile fire and a large fire at the Kingston landfill.

The Kingston Fire Department provides advanced critical trauma care, highly specialized auto extrication rescue services and automatic defibrilation. These advanced techniques enable our department to provide Kingston citizens with the finest emergency medical care available. The hundreds of hours of training our members participate in are volunteered. Fire Fighters average 60 hours per year within the department not to mention the specialized training they attend at other departments, medical centers and professional schools.

This year four fire department members: Alan Alpert, Ed Conant, Lori Conant and Kevin Conant became Nationally Registered Emergency Medical Technicians. In addition, three EMT's are attending a 220 hour EMT Intermediate Course which will give them the skills necessary to perform intravenous therapy in the field.

A special *thank you* to Gloria Bogannam, Stephen Estabrook, Charles Freedman, Edward Howard, Arlene Sargent and Virginia Snow - you are greatly missed and are welcome back anytime.

I would like every member of the department to know they truly are appreciated for the time they give up, whether 1 hour or 10, to serve as a fire fighter, EMT, ambulance driver, dispatcher or fire officer. Each and every hour is appreciated. It is this potpourri of volunteered time that has made the Kingston Fire Department evolve into the professional fire and rescue service it is today. Thank you.

I would also like to thank all of the groups and businesses who have donated to our department this year. The donations ranged from monies to fund the purchase of safety equipment, to donations of food and refreshments to keep the members going during long calls. Thank you to the Kingston Medical Center, Campers Inn, Carriage House of Pizza, Chrickels and the many residents who offered their support.

During the 1980's we geared our energies toward developing skilled and experienced Fire and Emergency personnel who are educated and comfortable with the latest techniques in fire and rescue procedures. At times, this emphasis has placed strain on our 40 member volunteer department. As we look to the 1990's I plan to balance the "work" (training, studying, fighting fires, providing emergency medical care, etc.) with some fun, lighter social activities. I believe focusing on our members, as well as what our members can do for the Town, will help the department to grow even better.

It is my strongest wish, that more citizens become involved in their Town's Fire and Rescue Service. Consider joining the department **or** offering your ideas to either me or the Fire Wards, whom you have elected to represent you. Working together, we can make Kingston a safer and more enjoyable place to live.

Respectfully submitted,

William A. Timmons, Jr.
Fire Chief

KINGSTON CONSERVATION COMMISSION

This year's activities utilized many members of the Conservation Commission. Each member contributed to this year's accomplishments, which was a major goal. The overall goal of the Conservation Commission is to protect the natural resources of the Town of Kingston. Our progress towards that goal this year is as follows:

-Development Control. River and Aquifer Protection Ordinances were passed last Town Meeting, all Planning Board meetings are attended, and all wetland dredge and fill applications are reviewed and recommendations are made to the State Wetlands Board.

-Open Space Acquisition. Property Survey of the LCIP approved project was completed to allow final transactions on the properties and new properties are in the land owner negotiation phase. The new properties are projected for this spring's LCIP approval round.

-Land Management. An experienced forester joined the Commission and began trail work with many Townspeople volunteers in the Hunt Road Town Forest. Also, proceeds from the Seedling Sale went to reforest gravel pits, part of the Fairgrounds, and areas around Bakie School.

-Pollution Control. Kingston's choice on Solid Waste disposal is being recommended by the Recycling Committee in which two members are from the Conservation Commission, one an Environmental Engineer. Also discussions are ongoing with the State DOT and Town Road Agent about road salt reduction.

Next year's activities revolve about the same goals and objectives as this year's. We will continue those activities listed under the four major categories stated above, with emphasis on the following projects:

-Watershed Protection. Expansion of the present River Protection Ordinance to include the Pow Wow River corridor, develop a method to stop the still declining water quality in our Great Ponds, reduce the amount of road salt used on our Highways, and ensure that the Town Dump does not pollute Kingston's Aquifer.

-Open Space Protection. A recent survey done in Kingston showed that the majority of Townspeople site that the dwindling of open space is a grave concern. We plan to protect as much open space that is possible, as open space is an irreplaceable resource. Continued funding of the LCIP is important as well as authorizing the Change of Use Tax to be used for open space protection. The Change of Use Tax occurs when a property that is presently open space is developed. This would allow open space, protection to be proportional to development.

With Kingston's continued support the natural resources of the Town will be protected.

Respectfully submitted,

Russell Army
Chairman

KINGSTON RECREATION COMMISSION
1989 REPORT

The Recreation Commission has sponsored several very successful programs this year, and a few that, unfortunately, weren't. Internally, we worked on a procedures manual for the commission, which is almost completed.

Although the snow and ski activities we planned for the winter didn't materialize due to lack of snow, we did have a full bus to see the Disney on Ice show in Boston Garden in February. In April, lots of preschoolers joined the Easter Bunny in celebrating spring.

Our summer program for elementary age children was highly visible due to its new location at the high school, while the addition at Bakie School is under construction. The high school staff was most helpful and understanding as the kids and counselors trooped to Chase Field for activities or stayed inside the cafe. Field trips and a performance by UNH's Potpourri were again a part of the program, which ended with a cookout and awards day.

Perhaps our biggest disappointment came during the summer. We planned seven trips for middle school and high school students, and had to cancel all of them because not enough students signed up to make the trips feasible. We had worked with the Student Councils to plan the events, but somewhere, something went wrong. In 1990, we have cut back on the number of trips for the older students, and we are going to try a different approach for planning. We would appreciate suggestions from residents to make these activities a success.

In the fall, we hosted two Halloween parties, one for preschoolers and one for elementary age children. Both were well attended - the Town Hall was packed the night of the elementary age party with about 250 kids plus parents. We hired entertainers for both shows, and a few adult residents dropped in for the evening. The preschool party, attended by 110 children, was planned at the request of several residents.

There were more than 100 people at the Christmas tree lighting in early December although it was bitterly cold. Again this year the program was a cooperative effort among the Cub Scouts, Encore Theater Company and Recreation Commission.

Our final activity for the year was building the ice skating rink in front of the Fire Station. Recreation Commissioners, Bakie PTA volunteers and firefighters built the rink with donated grain bags and Civil Defense sand bags. The sand was donated by the Highway Department, and the rink was completed when the firefighters flooded the area. The sign was painted by Buster Dobson and an unknown volunteer plowed the area.

The commission's thanks go to all of the volunteers who helped this year. We look forward to continue working with you.

Any resident with ideas or suggestions for a recreational activity for the town should call one of the commissioners. We welcome your input.

Charlotte Wright, Chairman
Elaine VanDyke
Lisa Saindon
David Currie
Brian Collins

KINGSTON MUNICIPAL BUDGET COMMITTEE
1989 ANNUAL REPORT

The Municipal Budget Committee is completing its fourth full year and continues to strengthen its formal liaisons with Town Departments and Committees to ensure an on-going planning partnership. The Committee has worked with the Board of Selectmen and Department/ Committee Heads to understand and plan for the needs of the Town and establish the level of funding necessary to maintain the service level the Town requires. On the tactical side for 1989, the Committee has focused its attention on personnel and Solid Waste Disposal issues as well as the stabilization of the Annual Budget.

For 1990, the Budget Committee will continue to focus on long-range planning by working with the Planning Board, Selectmen, and Department Heads to update the Capital Improvements Program and address the requirements identified.

The demand for Town services has exceeded the resources committed for so long that we have had to make significant investments to bring those services and appropriate Departmental budgets to a reasonable level of acceptability and quality. Now that the operational budgets have begun stabilized, the Town must address several major areas of improvement such as resolving the Solid Waste Disposal issues.

Your attendance at the 1990 Annual Town Meeting is needed to set these priorities as well as your tax rate.

Carroll E. Wright
Chairman
Municipal Budget Committee

MELANSON, GREENWOOD
& COMPANY, P.A.
CERTIFIED PUBLIC ACCOUNTANTS

February 10, 1990

To the Board of Selectmen
Town of Kingston
Kingston, New Hampshire

We are currently performing an audit of the Town's 1989 general purpose financial statements. Delays in closing the Town's books at year-end made it impossible to submit the audited financial statements in time for printing in the annual Town Report.

The final audit report will be available for Town Meeting. We anticipate completing the audit by March 2, 1990.

Sincerely,

Melanson, Greenwood & Co.
